Dear Families of SSPP,

Welcome to a new and exciting 2017-2018 school year! It is hard to believe that this is my 7th year at Saints Peter & Paul School. During this time, we, together, have grown immeasurably in enrollment, financial stability, academics, technology and many other areas. We could not have accomplished this without the outstanding work ethic and dedication of so many. Thank you for all that you do for our school and let's continue to work to keep Catholic education alive in Beaver County!

Morning arrival: Friday is the last day to walk your child to their homeroom. Also, please remember that no one should be exiting the car on the street side for the safety of each of us! If an adult is not in the crosswalk during morning arrival ***please watch extra carefully for moving vehicles!*** And also, when you are pulling away from the curb!

Emails were sent regularly these last few weeks and I believe that I kept you up-to-date on all aspects. Coming home today are the following items that will need your attention:

Monthly Calendar: Please know that the monthly calendar will have any changes that we make during the school year. The monthly calendar is also posted on the website.

Parent Survey: The Diocese requires all schools to request information that will assist us in receiving Federal funding. Your quick response to sending back the Parent Survey sheet is imperative for this reason. All information is confidential.

Handbook Agreement: The up-dated Parent Handbook has been uploaded to the website. Please review the handbook with your child/ren, sign the Parent Agreement form accordingly and return to school to (one of) your child's homeroom teacher.

Lunch Volunteer Form: We are in need of lunch volunteers. Please select a day that you are able to help us out in the lunch room.

Field Trip Form: This form gives your child permission to do a walking field trip that is within walking distance to our school. Field trips taken via a bus will require a more detailed form for your signature and come home before the field trip date.

Internet Policy: A requirement for all students in grades 3 through 8. Please make sure we have your signature for this policy.

Emergency Form: Please fill this form out for our files in case of any emergency that may arise during the school year. Also, always call us when a change comes about with phone numbers, etc.

School Note: To use for absences, late arrival, early dismissal or change in dismissal. We have supplied you with two and they can be downloaded on the website.

We invite you to our opening school mass tomorrow at 9:00 a.m.

Request for Extended Day information or Safe Environment program can be sent via note or email to the school office.

Blessings,

Cindy Baldrige

Thank you for all that you do for Catholic education, for your cooperation and support and for promoting our school. It is invaluable to our success!
