Give back to your local Catholic school!  
January 29-30, 2019  
[www.NCEA.org/csw/manygifts](http://www.NCEA.org/csw/manygifts)

Dear Families of SSPP,

Many years ago, Pope John Paul II said to an audience of Catholic School educators: "Yours is a great gift to the church, a great gift to our nation." Countless people in our country have been blessed by the many gifts of Catholic schools. They have carried what they have learned and witnessed with them to their adult life and have become success stories. Catholic School education is an investment for life!

The NCEA, along with FACTS Tuition Management is working together to assist Catholic schools in reaching out to families, friends, alumni, and community/business leaders to support a national campaign: "Many Gifts, One Nation: A Day of Giving to Catholic Schools." We are hoping that we can re-connect with former Catholic school graduates who have been impacted by Catholic school education in ways big and small, to donate at a local level.

Scheduled for January 29, 2019, 12 p.m. to January 30, 2019, 12 p.m. this is a time for individuals to give to Saints Peter & Paul School, from anywhere in the country! Gifts must be made in real time during this 24-hour period only.

This day is made possible with the generous support of FACTS Management. While NCEA and FACTS Management are pleased to provide an on-line giving platform, the special element of this initiative is that donors will be interacting directly with and giving directly to Saints Peter & Paul School. For the 2018 Day of Giving, more than \$859,000 was raised from 6,957 donations to 539 schools, 6 dioceses and NCEA. This is just one example of the strength Catholic schools hold when we work together to promote the faith-filled and academically excellent education we all have at the core of our shared mission.

Advancement is about fostering and nurturing relationships. Advancement/development is becoming essential to the success of schools at every level of Catholic education. Ensuring financial vitality in Catholic schools is essential to our future growth and sustainability. We seek to provide 21<sup>st</sup> century learning environments through the latest technology, the best resources and the most qualified educators. With these goals, the need for additional revenue increases. The practice of giving money to benefit others because of a shared mission, commitment or intentional goal sits at the core of one of gratitude, appreciation, and investment.

**Our Goal?** Our goal for this campaign is \$15,000. With the donations made to our school during this time we plan on up-dating our computer lab with new computers plus adding technology to each classroom in the form of state-of-the-art multi-touch smartboards. Your donation of \$10, \$20, \$50 or \$100 will make a difference in working towards achieving this goal.

**How can you help?** Spread the word! Social media, phone calls, businesses, alumni....get the word out there and let them know your child/ren attend Saints Peter & Paul school and we would appreciate their monetary gift. **Please visit [ncea.org](http://ncea.org) and search the database for Saints Peter & Paul School.** Make your donation and help us assist our students to having the best technology to enhance their education!!

*Blessings, Saints Peter & Paul Faculty and Staff*

*Thank you for all that you do for Catholic education, for your cooperation and support and for promoting our school. It is inva*
